On motion of Supervisor Antonovich, the Board took the following actions:

1. Instructed the Director of Health Services to enter into agreements, through February 28, 2003, to allow the admission of acute inpatients from Antelope Valley Hospital, High Desert Medical Group, Sierra Family Medical Group, and other High Desert Advisory Council's participating business proposal providers to High Desert Hospital, with any additional patient care to be provided using existing resources;
2. Delegated authority to the Director of Health Services, or his designee, to enter into any necessary agreements with Antelope Valley Hospital, High Desert Medical Group, Sierra Family Medical Group, and other High Desert Advisory Council's participating business proposal providers to expedite the admission of these acute inpatients during this period; and

3. Instructed the Director of Health Services to report back to the Board at the mid-point of the pilot project (November 2002), and upon the termination of the pilot in February 2003, on the utilization of inpatient beds by these providers, the financial impact of admitting these additional patients to the hospital and the long term financial viability of the project.
